PACKAGING PARTNERS

A listing of tourism operators interested in packaging tourism product

Packaging Partners

This list is to enable you to contact other tourism operators who may wish to work with you to create tourism packages.

During 2008 more than 90 High Country tourism operators attended three workshops to learn the theory and practice of packaging tourism product.

During the year further practical packaging workshops were conducted in Beechworth, Rutherglen and Mansfield.

The operators listed here attended the workshops or expressed an interest in working with like-minded operators to develop strong, 'experience' packages.
